

THERAPEUTICS BY DESIGN

Innovative Drug **Delivery Systems** Engineered for Global Healthcare

Research-driven pharmaceutical partner delivering complex formulations, advanced pellet technologies, and scalable cGMP manufacturing — from market intelligence to commercial supply.

Pellet & MUPS Technologies

Patent-Aware Formulations

Nitrosamine-Free Products

Regulated & Semi-Regulated Markets

OUR STORY

Empowering Partners Through Innovation

Therallen empowers customers to stay ahead of competition through divergent capabilities and differentiated products. We combine scientific depth with commercial intelligence to deliver formulations that create sustainable advantage in high-barrier therapeutic segments.

Leveraging global sales data, patent landscapes, and therapeutic segment insights, our R&D and innovation center **iSentre** (Hyderabad) and cGMP manufacturing facility in **Nalagarh** (Himachal Pradesh) enable deeper engagement across the customer growth chain — from development to commercial supply.

Value Proposition

A one-stop partner for complex oral solid dosage development — pelletisation, MUPS, combination products, and direct compressible granules — backed by IP-guided, non-infringing formulation pathways and regulatory-ready dossiers.

Who We Serve

- Generic pharmaceutical companies seeking differentiated products
- Regional partners in Latin America, Middle East & CIS markets
- Organizations requiring tech-transfer and licensing opportunities
- Customers needing nitrosamine-safe, quality-assured formulations

Company Milestones

2017

R&D Facility

Establishment of state-of-the-art research & development center at iSentre, Hyderabad.

2018

cGMP Manufacturing

Commissioning of cGMP-compliant manufacturing facility in Nalagarh, Himachal Pradesh.

2021

IP Filings

International patents filed for non-infringing products in Mexico, Brazil, and beyond.

2023

Global Audits

Facility audited by customers from Mexico, Colombia, Argentina, and Iran.

2024

Portfolio Growth

Expanded global footprints with products and customers across diverse markets.

2025

Nitrosamine-Free

Offering nitrosamine-free products with rigorous impurity risk management.

TECHNOLOGY PLATFORMS

Therallien's Core Capabilities

01

Patent Non-Infringing Products

IP-guided development creating non-infringing pathways for high-entry-barrier global markets.

02

Single Pellet Combination Strategies

Engineered pellet systems enabling fixed-dose combinations with uniform release profiles.

03

Multi-Unit Particulate Systems (MUPS)

Compression-safe MUPS design preventing coating damage and ensuring consistent release.

04

Combination Products

Complex multi-API formulations with synchronized release kinetics and process robustness.

05

Extended-Release Formulations

Matrix and coated-pellet ER systems for once-daily and controlled delivery profiles.

06

Dual Delayed Release

Sequential release technologies for gastric and intestinal targeting in a single dosage form.

07

Enteric Coating Formulations

Acid-resistant coatings for API protection and site-specific drug delivery.

08

Immediate Release Formulations

Rapid-dissolution pellet and granule platforms for fast onset of action.

Our Mission

Customer

- Win trust globally with niche molecules and differentiated offerings
- Build enduring, transparent B2B relationships across markets

Product

- Mixed basket of value and volume products
- High-value complex formulations with commercial scalability

People

- Strong operational team across R&D, IP, marketing & regulatory
- Cross-functional expertise driving project success

Process

- Quality, consistency, and precision in every batch
- Regulatory excellence embedded in development and manufacturing

THE THERALLEN ADVANTAGE

Why Partner With Therallen

Innovation First

Formulation strategies that break technical barriers and bypass patent bottlenecks.

Global Market Focus

Products engineered for diverse regulatory jurisdictions worldwide.

Regulatory Excellence

Robust dossiers aligned with EU-GMP, US-FDA, and local authority requirements.

Quality Assurance

Quality-by-Design (QbD) methodologies across formulation and manufacturing.

Customer-Centric R&D

Custom development tailored to dosage forms, release profiles, and cost targets.

Long-Term Collaboration

Licensing, tech-transfer, and contract supply with transparent engagement.

Quality & Compliance

cGMP Manufacturing

Nalagarh facility built to international GMP standards with validated processes and documented controls.

Analytical Validation

ICH-aligned method development, validation, and stability programs for global filings.

Nitrosamine Safety

Proactive impurity profiling and raw material risk management for genotoxic impurity control.

Partnership Models

Product Licensing

Access ready-to-file dossiers and differentiated molecules for your markets.

Tech Transfer

Seamless transfer from lab scale to pilot and commercial manufacturing.

Contract Manufacturing

Reliable cGMP supply for semi-regulated and regulated market requirements.

Co-Development

Collaborative R&D for bespoke formulations and combination products.

End-to-End Development Process

1

Market Intelligence

Patent & segment analysis for high-value project selection.

2

Product Selection

Align science with commercial targets and specs.

3

R&D

Non-infringing formulation pathways at lab scale.

4

Validation

Analytical methods & stability under ICH standards.

5

Scale-Up

Pilot optimization for yield, purity & consistency.

6

Commercial

cGMP production for domestic & export markets.

Therallien Pharma Product List

Product Name	Therapeutic Segment	Reference Product
Atomoxetine IR Pellets	ADHD	Strattera
Methylphenidate HCl Pellets P	ADHD	Ritalin
Viloxazine HCl SR Pellets P N	ADHD	Qelbree
Memantine HCl ER & Donepezil HCl IR Pellets P	Anti Alzheimers	Namzaric
Levomilnacipran HCl ER Pellets P N	Anti Depressant	Fetzima
Xanomeline Tartarate IR & Trospium Chloride IR Pellets P	Anti Schizophrenia	Cobenfy
Venlafaxine HCl SR Pellets N	Anti Depressant	Effexor
Duloxetine HCl EC Pellets N	Anti Depressant	Cymbalta
Topiramate ER Pellets	Anti Epileptic	Qudexy
Linacotide IR Pellets	Irritable Bowel Syndrome	Linzess
Peppermint Oil Pellets	Irritable Bowel Syndrome	IBgard
Dexlansoprazole DDR Pellets P N	Proton Pump Inhibitor	Dexilant
Esomeprazole EC micro Pellets for MUPS	Proton Pump Inhibitor	Nexium
Esomeprazole GR Granules for sachets P	Proton Pump Inhibitor	Nexium
Trimetazidine DiHCl ER Pellets P N	Anti Anginal	Vastarel
Metoprolol Succinate ER Pellets	Anti Hypertensive	Quenzor
Tamsulosin HCl SR Pellets	BPH	Flomax
Tamsulosin HCl SR & Dutasteride IR Pellets	BPH	Combodart
Choline Fenofibrate SR Pellets	Lipid Regulating Agent	Trilipix
Fenofibric acid MR & Rosuvastatin IR Pellets	Lipid Regulating Agent	Cresadex Plus

P Patent Noninfringing N Nitrosamine Free **ADHD** — Attention Deficit Hyperactivity Disorder **BPH** — Benign Prostatic Hyperplasia **NSAID** — Non Steroidal Anti-inflammatory Drug

Product Name	Therapeutic Segment	Reference Product
Tamsulosin SR + Tadalafil IR Pellets	BPH	—
Tadalafil IR Pellets	BPH	—
Amlodipine IR & Ramipril IR Pellets	Anti Hypertensive	Naprix A
Amlodipine IR Pellets	Anti Hypertensive	Norvasc
Ramipril IR Pellets	Anti Hypertensive	Altace
Fenofibrate IR Pellets	Lipid Regulating Agent	Lipofen
Fenofibrate SR Pellets	Lipid Regulating Agent	Lipilfen
Rosuvastatin IR Pellets	Lipid Regulating Agent	Crestor
Esomeprazole EC Pellets	Proton Pump Inhibitor	Nexium
Lansoprazole EC Pellets	Proton Pump Inhibitor	Prevacid
Omeprazole EC Pellets	Proton Pump Inhibitor	Losec
Omeprazole Magnesium EC Pellets	Proton Pump Inhibitor	Losec
Mebeverine HCl SR Pellets	Irritable Bowel Syndrome	Colofac
Activated Charcoal & Simethicone Pellets	Anti Flatulence	—
Simethicone Pellets	Anti Flatulence	—
Diclofenac Sodium SR Pellets	NSAID	—
Ketoprofen SR Pellets	NSAID	Oruvail
Mesalamine HCl SR Pellets	Ulcerative Colitis	Pentasa
Dutasteride IR Pellets	BPH	Avodart
Acitretin IR Pellets	Anti Psoriasis	Soriatane
Itraconazole IR Pellets	Anti Fungal	Sporanox
Itraconazole IR Granules (SUBA)	Anti Fungal	Tolsura
Aprepitant IR Pellets	Anti Emetic	Emend
Dabigatran IR Pellets	Anti Coagulant	Pradaxa
Orlistat IR Pellets	Anti Obesity	Xenical

R&D Pipeline Products

Product Name	Therapeutic Segment	Reference Product
Topiramate & Phentermine Pellets	Anti Convulsant	Qsymia
Semaglutide IR DC Granules	Anti Diabetic	Rybelsus
Tacrolimus ER Pellets	Immunosuppressant	Astagraf XL
Deucravacitinib DC Granules	Plaque Psoriasis	Sotyktu
Empagliflozin IR & Metformin ER Granules	Anti Diabetic	Synjardy XR
Empagliflozin IR & Linagliptine IR & Metformin ER Granules	Anti Diabetic	Trijardy XR

Direct Compressible Granules

Product Name	% of Granules (w/w)	Dossier (eCTD)
Acetaminophen	77%, 83% & 90%	Available
Ciprofloxacin	65%	—
Guaifenesin	90% & 95%	—
Ibuprofen	63%, 66%, 73% & 85%	Available
Metformin Hydrochloride	75%, 90% & 95%	Available
Metoprolol	26%	Available
Pregabalin	25%, 50%, 70%	—
Ursodeoxycholic Acid	70%	—
Naproxen Sodium	90%	Available
Glibenclamide	4%	—
Loperamide HCl	1%	—
Clarithromycin	32%, 50% & 62.5%	—
Carbamazepine	50%	—
Aspirin	50%, 60%	—
Sulfamethoxazole & Trimethoprim	93%	—
Dapagliflozin IR & Metformin ER Granules	5mg/1000mg; 10mg/1000mg; 5mg/500mg; 10mg/500mg	—

Therapeutic Focus Areas

CNS (ADHD, Depression, Schizophrenia), Cardiovascular & Metabolic, GI & PPI, Urology (BPH), Lipid Management, Anti-infectives, Immunology, and Oncology-adjacent pipelines.

Global Reach

Active partnerships and audits across Latin America, Middle East, CIS, and semi-regulated markets — with dossiers prepared for regulated market entry.

THERAPEUTICS BY DESIGN

Let's Build the Future of Drug Delivery Together

Partner with Therallien for differentiated formulations, reliable manufacturing, and long-term strategic collaboration across global healthcare markets.

CORPORATE OFFICE

79 Degrees, Plot No. 67, 1st Floor
Chitiprolu Arcade, Jubilee Enclave
Hitech City, Madhapur
Hyderabad – 500081, Telangana, India

Phone: +91 89788 42468
Email: info@therallien.com
Web: www.therallien.com

MANUFACTURING FACILITY

Village Bhatian
Nalagarh, District Solan
Himachal Pradesh – 174101, India

R&D CENTER — ISENTRE

Aleap Industrial Estate, Plot No. 40
Road No. 4, Pragathi Nagar
Hyderabad – 500090, Telangana, India
